

Mosaic (Week 4): The Multiracial Future of America and the Church

More on Multiracial and Multicultural Churches

- A great NPR article on the growing number of multiracial churches in American, which also goes into detail on the struggles and limitations of the movement: [Multiracial Congregations May Not Bridge Racial Divide](#)

- A similar article from a leading evangelical periodical on the same subject: [The Multiethnic Church Movement Hasn't Lived up to Its Promise](#)

- An article focused on recent, new openness to multicultural worship in the PCUSA: [Presbyterian Mission Agency Multiracial Worship](#)

A Video to Cap our Mosaic Series

A powerful 4 min. video that reminds us, as we heard from Rachel Fisher, our resident anthropologist in week 3 of the series, that our universal human experiences and hopes unite us beneath our differences in age, ethnicity, socioeconomic level, etc.: [Don't Put People in Boxes](#)
